Subject: Notice of File Closure, Kimmerle Mining LLC, Four Corners #2, S/015/0099, Emery County, Utah

Dear Mr. Kimmerle:

The permit for the Four Corners small mine, S/015/0099, located in Emery county, Utah, will now be closed and the file retired.

On January 25, 2012, the Division of Oil, Gas and Mining received your annual report in which you requested that the Division close the permit. The Division did not approve the Notice of Intention (NOI), and there was no reclamation bond associated with the application. The BLM has confirmed that there was no new disturbance from the mine.

If you wish to conduct any future mining or exploration related activity in this area, you will need to submit a new NOI to the Division and appropriate paperwork to other agencies and provide reclamation surety prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5261 or Wayne Western at (801) 538-5263. Thank you for your patience.

Sincerely,

Paul B. Baker
Minerals Program Manager
